

We collect usable household items and furniture, and distribute them to individuals transitioning out of homelessness. We also distribute donated food to people in need.

In these difficult economic times, there are more people than ever requesting help from Furnishing Hope.

Your financial donation enables our volunteers to collect, store, and deliver donated furniture to individuals in need and to provide assistance in the form of bus passes, phone, and grocery cards.

The State of Arizona offers a tax credit for monetary donations to organizations like Furnishing Hope that provide "Assistance to the Working Poor." This provision allows Arizona taxpayers who itemize deductions to take a dollar-for-dollar tax credit of up to \$200 for individuals and \$400 for couples on contributions to qualifying organizations.

Furnishing Hope is non-profit 501(c)(3) organization that qualifies for the Arizona Working Poor Tax Credit. This credit can be taken in addition to the Arizona Education Tax Credit.

Please consult your tax advisor for details on how the tax credit will impact your filing.
